

PRISMA

These 100% hand harvested, estate wines show the true expression of the cool, coastal Casablanca Valley. This collaborative project between Brazos and Grupo Belen produces vibrant and fresh wines. The estate consists of multiple vineyards including some of the regions original plantings in Casablanca by Pablo Morande in 1982. The cool misty nights, hot sunny days, and light hand of the winemaker act as a prism to convert the grape into a complex and beautiful wine.

PRISMA PINOT NOIR

This hand-harvested, 100% Pinot Noir is blend of three clones produced from a single vineyard located in the Casablanca Valley. The granite soils and cool, coastal climate produce a fresh, vibrant and aromatic wine. It shows bright red fruit notes of strawberry and cherry, with an underlying hint of oak, that leads to a lifted mid-palate and smooth, velvety finish.

PRISMA SAUVIGNON BLANC

This hand-harvested, un-oaked, 100% Sauvignon Blanc is produced from a blend of three Casablanca Valley vineyards: El Ensueño, Fundo Belén, and El Principal. The sandy, clay soils and cool, coastal climate contribute to a bright, fresh character in the wine. Citrus notes of lemon, lime, and grapefruit, combined with a mineral undertone lead to a crisp, elegant, and well-balanced finish.
