REUNIÓN TINTO
2012 MENDOZA, ARGENTINA

This certified sustainably farmed wine is a blend of 57% Malbec & 43% Bonarda, from two vineyards: one in the Los Sauces District of Tunuyan in the Valle de Uco & the other from Alto Agrelo. This exceptional & extremely expressive yet easy drinking wine highlights each grape in the blend. This balanced wine starts off with ripe fruity aromas of plum, cherry, blackberry, & strawberry that leads to a rich & round mid palate laced with chocolate & tobacco & finishes with smooth, velvet texture.
