

REUNIÓN BONARDA 2011

This sustainably farmed, single vineyard wine is composed of 100% hand harvested grapes from Alto Agrelo in Lujan de Cuyo, Mendoza. Reunion Bonarda has a deep purple color with black and violet hues. The wine explodes with blackberry, strawberry, and currants on the nose which leads to rich, round fruit and a touch of white chocolate and tobacco on the palate and a smooth, balanced finish.

Varietal: 100% Bonarda
Case Production 12 pack: 1800

Maceration / Fermentation: Pre-fermentation maceration at 46 degrees F
Sustainably Farmed: Yes

JOFFRÉ E HIJAS
BODEGA RJ VIÑEDOS

RJ Vinedos is a family owned winery run by its founder, Raul Joffre, and his four daughters. The winery began in 1996 when Raul purchased a traditional cement tank winery in the Perdriel region of Lujan de Cuyo and a small vineyard in the Los Sauces region of the Uco Valley. They now have 60 hectares in the Uco Valley as well as holdings in Alto Agrelo and up north in the Calchaquíes de Cafayate Valley, la Salta. The vineyards are all sustainably farmed and no chemicals are used, in both the vineyards and the winery. The winemaker Sebastián San Martín has a minimalistic approach as he believes in letting the grapes have their own voice, and looks for purity of fruit with little intervention.
